## Charlevoix Team Strength Brings Conference Track Title Again

### New Track Proves Fine Field Addition

The dedication of the new Grayling quarter mile track with its 220 yard straight away and areas for pole vault, broad jump, high jump and shot put was held last Tuesday afternoon and evening as the Northern Class C conference track meet was held here.

The track although not complete, it still needs a final topping still proved to be among the best in the North. Much credit must go to City Manager Russell Carlson and his city crew who worked hard and long on the project. Late breaking of winter held up the start on the track and the project had to be rushed through.

Charlevoix continued its domination of the Conference track, as with heavy scoring in second, third and fourth places took the 1956 crown with 87 points. Charlevoix, 87 points; Grayling, 46 points; Boyne City, 21.9 seconds; 220 yard dash, Gibbons, Charlevoix, 23.35 seconds; 880 yard run, Juday, Boyne City, two minutes 15 seconds; half mile relay, Charlevoix, one minute 38.5 seconds; pole vault, Worden, Grayling 10 feet 6 inches; high jump, Williams, Boyne City, 3 feet, 8 inches; shot put, Vandenberg, Charlevoix, 46 feet 9/2 inches; broad jump, Charon, Boyne City, 19 feet, 7 1/2 inches.

Others scoring for Grayling were: LaGrow, fifth in the high hurdles; Worden, fourth in the low hurdles; second in the half mile relay; Lowe, second in pole vault; Parkins, tie for fourth in pole vault; Berry, second in high jump; Rohde, tie for fifth in high jump.

Grayling failed to score any points in the 100 yard dash, mile run, 220 yard dash, half mile run, shot put or broad jump. The loss of co-captain Lloyd Failing who sprained an ankle at the State Track Meet definitely hurt the Vikings' chances. Failing who consistently scored 12 to 15 points in each meet would have added to Grayling's score while cutting down on the Charlevoix and Boyne City totals. From the records set in the events, Failing would have been sure to score in the dashes and might have won the broad jump and pole vault.

The meet was managed by Coach Bruce Smith of Grayling. Coach Earl Haight of Roscommon in the Northeastern Michigan Class C Conference was the official starter. Coach Smith was assisted by Coach Larry Baumann of Grayling, Coach Saxton of East Jordan, Coach Wallace of Gaylord, Coach Schurman of Mancelona, Coach Davis of Harbor Springs, Coach Grucius of Pellston, Coach Jacobson of Mancelona, Coach Skitka of Gaylord. Scorekeepers were Robert Boyce and Bob Stone, both of Grayling.

Some of the eight schools of the conference had about 232 entries in the various events not counting the two relay races. Most boys were entered in more than one event. Probably about 100 trackmen actually took part in the meet.

A strong wind hindered runners and no conference records were threatened due to the weather. A light rain fell in the afternoon but it cleared off nicely for the evening's finals although turning a bit cool. A crowd estimated at between 150 and 175 witnessed the finals.

## Russia "Peace Offensive" Fizzles

To say that Russia's "peace offensive" is a source of deep concern to the United States and other Western nations is to say the completely obvious. The Soviet's two ambassadors of good will, Khrushchev and Bulganin, have become international tourists on a grand scale. Their theme song has been the same (with certain exceptions, as will be noted) wherever they have gone: World peace and friendship, along with trade agreements which will benefit the masses of people everywhere. There can be no doubt that in some important areas—notably the chaotic Middle East—they have made marked progress.

The visit of Khrushchev and Bulganin to England—coming hard on the heels of that of ex-premier Malenkov—was looked upon with special concern. There is no question in informed Western minds of what present Soviet policy is—it is to undermine, in any way possible, the cause and the structures of Western unity, NATO included, and to do this primarily by allaying and wooing fears as to Soviet intentions. In this grand design, England is of course a key. Of the major powers, she is America's best friend, for all the differences of opinion as to this policy or that. But the British people are sick unto death of crisis. The British economic position has worsened seriously, due in considerable part to a falling off in her exports—and exports are England's lifeblood. And the possibility of the loss of Middle East oil is a ghastly specter in the eyes of British leaders. If that happened, it has been said, the country would be bankrupt in a month or so.

So the fears were strong when the Russian visit began. Now the visit has ended—and to many observers the cause of Western unity has survived with banners flying.

Barnet Nover recently devoted an interesting column to this. In his view, "It now looks... as if the Bulganin-Khrushchev team felt flat on its collective face." And the reason is that—despite all the initial parol of smiles and protestations of friendship—Khrushchev did something that has ruined many a man before him. Stung by hostile demonstrations, he lost his temper.

Then, as Mr. Nover puts it, "He brandished the hydrogen bomb in their direction, foolishly coupling that threat with an appeal for trade which might normally have made a real impression on the trade-hungry

British." As if that weren't enough, he castigated the British group which could be expected to be most sympathetic to his cause—the left-wing Laborites. And he had nothing but scorn for President Eisenhower's popular aerial inspection proposal.

In other words, the smiling mask slipped—and showed a growling bear beneath. So, to quote Mr. Nover once again, "On balance, the Bulganin-Khrushchev visit can now be put down as a real gain for the free world, a reminder of the unpleasant realities of the world we live in, a warning that, so far as the West is concerned, there is no substitute for strength and unity."

"Like a small boy with a new knife, a man who has discovered he has a sharp tongue never knows when to stop using it."—Chicago Daily News.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE  
FILES OF THE AVALANCHE OF 23 YEARS AGO

June 1, 1933

Ten Crawford County men left for Ft. Brady this morning for two weeks of training in reforestation work. In the party are the following: Elroy Barber, of Grayling; Earl Wood, Beaver Creek; Ted Callahan, John Decker, Isaac Jendron, Melvin Marshall, Harry Hum, Oliver Lovely, John Schofield and Ora Ingalls of Grayling. They will be in camp for about two weeks after which they will be placed among the C. C. reforestation companies near Luzerne. At that place they will be given positions as foremen in the woods operations.

A lot of interest was manifested in the formal opening of Spike's (Harold MacNeven) beer garden Monday evening and before the opening hour every table in the place had been engaged. Almost every family in Grayling was represented, besides there being many from out of town. About three weeks ago workmen got busy and completely remodeled the building that was formerly occupied by the Nash garage and Harold Skingley electric welding shop. Partitions were changed, walls were covered with Masonite, woodwork was finished and a fine new dance floor laid. They did a thorough job of it and the inside of the building was a complete transformation from the front door to the back room.

Think of this  
next time you're in heavy traffic —

NO OTHER TRANSMISSION

IS SO SMOOTH AS Dynaflo™

You know how it is.

Anyone who drives a car these days must sometimes drive in crawling, slow-moving traffic where it's stop-and-go or spurt-and-slow.

And if you're used to a car that handles such traffic with a continuous series of upshifts and downshifts—even automatically—then maybe you think that's the best you can have.

But it isn't. You can have Dynaflo smoothness in a new Buick—and you won't believe the difference until you try stop-and-go traffic.

For here you have absolute smoothness when you accelerate.

Here you have absolute smoothness when you decelerate.

Here you have absolute smoothness under every road condition and traffic pace—with no lags or bumps to mark upshifts and downshifts—because no gears ever shift in Dynaflo.

It's the only transmission on the American scene today where flowing oil does the work of gears every step of the way—and where smoothness is constant, absolute and infinite.

So maybe you ought to sample a new Buick with Variable Pitch Dynaflo—and try the new thrills that go with this smoothness—

The flash-fast new getaway response—and new stepped-up gas mileage—when you barely press the pedal.

The instant new full-power acceleration when you floor the pedal and switch the pitch for a needed safety-surge—

The wallowing new might of the big new 322-cubic-inch V8 engine that puts the ginger to it all—

And the new ride, the new handling ease, the new interiors, the new bold look of racy sweep-ahead styling.

Drop in on us this week—today if you can—and see for yourself what straightforward truth we tell you here—and what great-buy prices are keeping Buick more firmly than ever in the top 3 of America's best sellers.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

The trio feasted at the Ausable Inn one night in honor of Robinson's 18th birthday. Mary and Tom were seen here and there enjoying Spring in all its glory. They visited the Hideout at Higgins Lake where Mary was a six year camper and walked hand in hand through the glorious Hartwick Pines. Mrs. L., who is much admired, was finally persuaded by Tom to accompany him and Mary to see Ma and Pa Kettle and such a hilarious movie it was, says Mrs. L. We were all but rolling in the aisles with laughter.

The trio also took a trip to the inaw City via the scenic Lake Michigan route through Cross Village which ended a week of never to be forgotten fun for a mother who was beginning to feel the toll of a long winter, a girl who had symptoms of spring fever and a young sailor who wanted to get away from it all for a few days. ### P. T. A. News

Prior to the final P. T. A. meeting of the season Wednesday of last week, the outgoing officers and committee chairmen entertained the incoming officers at a luncheon. It was a success, nothing burned, nothing ran, the only fault to be found was in the result: Thirty lovely people full and sleepy from overeating, attending the meeting.

Jerome Kessler conducted the installation of Mrs. Robert Funk as president, Mrs. Joseph Hull, vice-president, Mrs. Elmer Fenton, teacher vice-president, Mrs. Robert Strong, secretary, and Mrs. UHARLEY Russell, treasurer, in a solemn and dignified ceremony. He later reminded the group that for the first time, new school board members were to be elected at the polls, July 9 is the important date in this connection, and he urged all of us to exercise our privilege.

Mrs. Floyd Taylor provided a short musical respite with "An Evening Star," Kay Ann Stephens joining with Mrs. Taylor herself in a refreshing vocal duet, "Moonlight and Roses," and Carol Fenton playing the very difficult "Flight of the Bumblebee," with as much ease as if it were "Country Gardens."

During the pause while the auditors were going over the books, Mrs. Taylor was called to the rescue. With the spirit of a trooper she went back to the piano and in a minute had an impromptu community sing going. Such things are seldom done wholeheartedly, but Mrs. Taylor's choice of songs and her infectious showmanship had everyone joining. To many it was the highlight of the evening.

And so the year ended. It's been a time of triumph and of woe, of bitterness and bliss, but it's over and the Grayling P. T. A. has survived another twelve months. We owe its life to Ted Wheeler, who took a job no one wanted, and who always did that job in the way he was called to do it; to Mildred Fox, who volunteered blindingly because she believed it worth while; to Thelma Hunter, who bolstered the morale of all; to Frank Bond and Joseph Stripes, who proved themselves worthy and more of their offices, and to the many, many others, faculty and parents who gave up so much to attend meetings, and who never balked no matter how rough the going. To these people, Grayling and its youngsters are in debt.

And to the new officers we wish the best of luck—the deepest of wisdom, and the utmost in patience. Julia Kroll, secretary

### St. Mary's School Children In Colorful Ceremony

Children of St. Mary's school participated in their annual demonstration of devotion to Mary, Mother of Christ, at a May crowning ceremony at St. Mary's church on Sunday afternoon, May 20th. Ceremonies began with a colorful procession headed by acolytes that led from the school through the sanctuary to the altar of the church. Solemn tribute was paid to Mary through prayer and song. Preceding the crowning of the statue of Mary by Timothy Perry, an eighth grader, who had been chosen for the honor, little Beverly Luckstedt addressed Mary with "Lovely Lady Dressed in Blue" and Kirsten Leitz sang "Mary, How Sweetly Waited That Word." Little Jean Neilson was the crown bearer and members of this year's first communion class were the court of honor.

The Rev. Fr. John Breitenstein closed the ceremony with a short sermon, and officiated at benediction of the Blessed Sacrament. St. Mary's Ladies Club sponsored the annual picnic for the children of St. Mary's school on Tuesday, May 22nd. It was held at Hartwick Pines and there were the usual games and races and hot dogs, pop and ice cream were enjoyed. It was real picnic weather that day and many of the mothers and pre-school children also enjoyed the outing. Mrs. Irving Melsaac, chairman was assisted by Mrs. Roy Lovely, Mrs. Edna Rutkowski, Mrs. Liwyn Doremire and Mrs. John Latusek. They had help from other mothers present.

After several months of careful and prayerful planning, the ground work for the Building Crusade is almost completed and the Crusade itself is scheduled for June 15-22. The Rev. Mr. Wm. J. Miller will arrive in Grayling on June 12, meet the Crusade workers at a kick-off dinner the evening of the 15th, and will proceed to direct all Crusade activities from that time to the end of the scheduled campaign.

The purpose of the fund-raising campaign is to provide for the erection of an educational addition to the church to provide much needed space for class rooms and other church school activities. The Sunday school, reported ten years ago as operating nine months of the year with an average attendance of 65, has grown to a twelve-month organization with the average Sunday morning attendance approaching the 200 mark. In addition of Sunday evening Youth Fellowship groups, children's and youth choirs, week-day organizations and a multiplicity of other activities, all competing for the very limited space available. A new building is planned for an average attendance of 300.

Church School. Last Wednesday the Light Brigade members were guests of their officers at a chili-and-frames further supper prepared and served on the lawn of the Glen Fenton residence. Hostesses were Nancy Rebell, president; Charlotte Hunter, vice president; Carolyn Halstead, secretary; and Julie Carlson, treasurer.

The Brigade will not meet this week because of the holiday and will hold their last regular meeting of the year on Wednesday, June 6. Daily vacation Bible school is scheduled for the two weeks beginning June 11. Mrs. Ted Wheeler is director for the school which will provide classes for children from the Kindergarten through the Junior Departments. No Nursery class is planned for this year.

### Explorer Scouts Shoot At Fredric Range

Explorer Scouts of Grayling journeyed to Fredric Sunday afternoon to compete in a rifle meet with the Frederic Women's Rifle team.

The Scouts were beaten in the 25-yard match, with the women scoring 275 and the Scouts 254 points; and in the 35-yard match with the women scoring 225 and the Scouts 190 points.

The Frederic Girls team downed the Women's team 295 to 280 in a shoot that followed.

In the Frederic Men's team versus the Frederic Boy Scouts match, the men defeated the scouts 509 to 226 in the 25-yard match; and 382 to 205 in the 35-yard match.

The shoot was held on Fredric's new rifle range, set in a beautiful location high in the west of Frederic. The new range was constructed largely through the efforts of Charles Chaplin, Leo Post and George Lohmeyer.

The Grayling Scouts were accompanied by Robert Hayes, secretary of the Crawford County Chamber of Commerce, as well as Wright, Island Smock and Jerry Jo Smock, the latter three men taking along their bow and arrow equipment to demonstrate bow and arrow techniques for the Scouts.
